

SERVICE PACKAGES

Counter Service

This service is best placed for individuals and or companies that require uniforms but are few in terms of employees requiring uniforms. These uniforms are bought from stock - straight from the warehouse.

Contract structured

These are well structured most suitable for companies with a high number of employees. This service is flexible in terms of design and fabric choice. The leverage is on the bigger quantities which normally surpass the minimum production.

Tender

This is participation in public and private tenders. Giving companies a well rounded and well packaged economic bid.
