Appointment Corporate Zimbabwe is incorporated in the laws of Zimbabwe. The company has been in the **provision of corporate** apparel and associated services for the past ten years.

The service spans through a wide breadth of progressive and productive interaction with some of the county's top performing companies in Financial, Medical, Manufacturing, Legal, Sport, Entertainment, Mining, Industries just to list a few

The company is well networked locally, regionally and internationally as part of its positioning. This positioning leverages the company on it's depth and quality of it's product supply market.

All this is complemented by a very knowledgeable and experienced human resource to ensure international standard customer service delivery.
