HOW IT ALL STARTED

Having been established in the year 2007 the Appointment brand is one of the prestigious fast growing brand in the provision of individual and corporate apparel for men and women in Zimbabwe. It's Headquarters are strategically located at 5th Floor Karigamombe Centre Harare. All it's branches are dressed up on an international standard.

The Appointment brand is the only proactive solution to any apparel challenge, for corporates: By giving customer oriented packages while taking heed of the need for apparel accessories, consumables and extras. Appointment Corporate Zimbabwe is a well knit brand which combines elegance in Physical products with excellence in service provision.

As a company of the 21st century Appointment Corporate Zimbabwe, embraces the challenges and benefits that come with globalisation, and has positioned itself such that it competes locally but offering an international best practice standard of service.

The operations of the company are set such that there is 90% local production and a 10% foreign compliment. The fabrics are mainly imported from Asia and Europe while the labour is totally local. Manufacturing is done with strict observance to local labour statutory requirement as well as international standard expectations. The company labour force is highly experience and well trained to assimilate progressive designs and futuristic technologies hence the operational trajectory is an evolving one.

CORPORATE WEAR

As experts in the industry we can assure our clients a sublime balance of good corporate appeal and an exquisite elegant fashion sense that can withstand the taste of time. While the designs that we present to clients are mere concepts we are open to our clients' own designs and concepts. Our service charter is a clear indication of our commitment in giving our clients an unblemished.

We do etiquette training, and consultancy services. In this service we put character to the clothes that we would have offered our clients, giving it a more personnel touch. The product array for this category includes the following:

Apparel arrangement
Dining etiquette
Office/Boardroom Manners
Hygiene

PACKAGING

As it is part of our standard we will give each and every employee a personalised & pre-packed bag 7 containing uniforms to the sizes he/she was measured. This will curb confusion normally associated with uniform distribution.

AFTER SALE SERVICES

To compliment all of the services that we have indicated above these, we will offer the following services:

1. Size Exchange
2. Alterations
3. Grooming

LINE OF SERVICE

Counter Service

This service is best placed for individual and or companies that require uniforms but are few in terms of employees requiring uniforms. These uniforms are bought from stock, already made ready to fit straight from the warehouse.

Contract structured

This is a well structured service most suitable for companies with a number of employees exceeding 15. This service is flexible in terms of design and fabric choice. The leverage is on the bigger quantities.

Tender

This is participation in public and private tenders. Giving companies a well rounded and well packaged economic bid.
